

TOP DOCTORS

Houston is home to the world's largest concentration of research and healthcare institutions. With countless medical doctors, only a small percentage can be named Top Doctors. Houston presents thousands of options when it comes to choosing a medical professional. *H Texas* has searched through the masses to identify doctors known for excellence. From an initial diagnosis to a lifetime of care, these docs work tirelessly to receive recognition in a city famous for breakthroughs in medicine. Nominated by their peers and *H Texas* readers, here are Houston's Top Doctors.

Every effort has been made to verify information for the medical professionals listed. Any omissions or inaccuracies are unintentional, and *H Texas* magazine can not be held liable. If a particular doctor does not appear on the list, it does not mean that he/she is not the best medical professional for you.

George N. Zaibaq, OD & Associates

Eye Trends

Dr. Zaibaq takes a personal, individualized interest in all his patients. He is dedicated to providing the utmost in care in a friendly, caring environment. He aspires to preserve his patient's gift of sight at its optimum through maintaining cutting edge knowledge of education and technology. He specializes in Comprehensive Eye Care, Treatment and Management of Eye Disease, Glaucoma, Laser Vision Correction, and specialty contact lens services. Dr. Zaibaq has been in practice for over twenty years serving Fondren Southwest, Bellaire, Meyerland, and Sugar Land.
